Life Together and Welcome

Call to Worship FBCL Students

We who too often lose our way gather today to say, "The earth is the Lord's, and everything in it, the world, and all who live in it; for God founded it on the seas and established it on the waters." And yet those same waters are polluted by the plastics we have made and discarded. We pause to ask ourselves again what it would be like to see creation liberated and experiencing freedom and glory.

Along with all creation we wait for the glory of God to be revealed and we commit to playing our part, as the children of God. May we find liberation from our plastic addiction and healing for our land and water. Amen.
